

Meet Our Director

Aimee Travers has worked with children for many years. For eight years prior to joining the Giguere family, she worked with special needs children. During her time with Giguere she has filled many roles. Aimee's calm, responsible approach to child care makes her the ultimate director and teacher.

Aimee has worked with younger children at Discovery School House, and school aged children in Kids Club. When needed, she helps around the gym in other roles as well. Over time, these various positions have given her the opportunity to get to know the children and families at Giguere very well.

Aimee is currently Director of Kids Club where she will continue to care for, and enrich the lives of all the children in her program with her easy going, fun loving approach to child care.

The Worcester Public Schools are not responsible for, or connected with any aspect of this program. Participation in this program is the sole decision and responsibility of the parent/guardian.
